Biological Basis of Behavior Major Declaration Worksheet

Please complete this worksheet prior to meeting with a BBB advisor to declare the major, indicating the coursework you have already completed. Please use the table on reverse side of this sheet to indicate the courses you plan to take in your junior and senior years to complete the major requirements.

Note that you must meet with your academic advisor and have your Penn InTouch worksheet made official before declaring the BBB major.

Students must earn a minimum grade of C- in courses taken to fulfill the major requirements. BBB majors must have a minimum of 5 courses that they count only towards the BBB major and not also towards another a major or minor.

Students may use BBB LPS courses to fulfill BBB requirements but may not be able to apply LPS credits from other departments towards the BBB major.

Students considering non-College courses (e.g. courses in Nursing, Healthcare Management, Legal Studies, Marketing, Fine Arts, etc.) should consult with an Advising Dean about their total credit requirements.

Any modification in the requirements (e.g. course substitutions) must be requested by the student no later than the first semester of their junior year.

*By signing this application, I attest that I have read, understand and take responsibility for fulfilling the requirements and rules of the BIBBMajor.*
